Evidence — Lab 02: Form the Team: Instructions for Each Agent

Multi AI Agents for Content Creation (Claude Edition) · Day 1 · Use Claude Code

Capture a screenshot or file for each line. Evidence beats a description.

- □ Five files exist in .claude/agents/, one per specialist.
- □ Each has a name, a "use when" description, tools and a model.
- □ Your session acts as the Marketing Team Lead.
- □ Five agents answered, each in its own context.
- □ Every agent has a "never" rule that blocks publishing.
- □ You changed one instruction and can say why.

Notes

What did not work first time, and what you changed:

What you did NOT verify:
